

Section 3 - External Auditor Report and Certificate 2022/23

In respect of

Misterton with Walcote Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The JPAG Practitioners Guide at paragraph 2.35 requires a council to provide variance information in annual levels of income, expenditure and balances. Therefore the council should have provided information in respect of boxes 7 and 8 on Section 2 of the Annual Governance and Accountability Return. We have been able to find sufficient information from other sources to satisfy ourselves in respect of these variances but in future we would expect to be provided with this information when the return is submitted.

The Internal Auditor has provided a 'not covered' response for control objective F. As the council operates petty cash (described as an Imprest Account) we would have anticipated this objective to have been considered and to be considered in future.

The council initially submitted an incorrect version of their Notice of Public Rights. The correct version was later submitted.

3 External auditor certificate 2022/23

We certify/~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
