

What next for Walcote?

Does Walcote need any more housing? Which are the important open spaces in the village? How should the environment be protected or developed? If you live in the parish of Misterton with Walcote, you have an opportunity to decide how our villages will look by 2031. The Parish Council is thinking about helping local residents produce a Neighbourhood Plan for the parish. This plan would include policies specially tailored to the needs and conditions of our village, written by our residents and used to decide planning applications relevant to our village. However, the Parish Council cannot create a Neighbourhood Plan without local input and support.

If you are keen to help, or would simply like to know more, come to a meeting at the Walcote Memorial Hall on SATURDAY 8TH APRIL at 3pm. A Neighbourhood Plan could help create the village WE want. But this can only happen with YOUR help. Don't miss this opportunity to plan for the future. Surely we know what Walcote needs better than planners in Harborough, developers or politicians, so why not come and make your voice heard?

Don't forget:

SATURDAY 8TH APRIL at 3PM in the MEMORIAL HALL.
